MEMORANDUM FOR: General Graham

SUBJECT: NIO Collection and Processing Support to Middle East  
NIO on the IRAQ/IRAN Situation

1. I have designated [ ] to work directly with [ ] on his requirements in the intelligence collection and processing area as applied to the IRAQ/IRAN situation. He is to respond to [ ] inquiries and suggestions and to be available as [ ] interface with the collection and processing community.

2. [ ] has been specifically requested to follow-up on [ ] request to NSA for a briefing on current SIGINT capabilities in the area which is also to include estimates of how coverage could be increased and the costs (in terms of both resources and loss of other coverages) involved. He will also be following [ ] inquiries into the imagery collection community and the human resources area.

3. As you have directed, [ ] activities in this area will be coordinated through your office by means of memoranda or in whatever manner you desire. He will also keep [ ] advised.
